

Material Safety Data Sheet

according to Regulation (EC) 1907/2006

Product name : AquaSpeed 250 ml
Revision : 23.10.2008 Version : 1.0.0
Print date : 06.05.2009

01. Identification of the substance/preparation and of the company/undertaking

Product name : AquaSpeed 250 ml (25190)
Use of the substance / preparation : Coating
Manufacturer/Supplier : HOLMENKOL AG
Street/P.O.Box : Wernher-von-Braun-Str. 3
Country code/Postal code/Town/City : D-71254 Ditzingen-Heimerdingen
Telephone : +49 (0)7152 6101-0
Telefax : +49 (0)7152 6101-119
Emergency information : +49 (0)30-19240, Internat. INFOTRAC +1 3523233500
Contact : sdb@holmenkol.com

02. Hazards identification

No significant hazard.
Hazard designation
-

03. Composition/information on ingredients

Hazardous components
-

04. First-aid measures

After inhalation
Call a doctor, should the air passages be affected.
After skin contact
Flush away with water and rinse.
After eye contact
Flush with plenty of water (10 - 15 min.). Call a physician.
After ingestion
Do not induce vomiting - call a physician.

05. Fire-fighting measures

Suitable extinguishing media
Adapt extinguishing measures to suit the environment.

06. Accidental release measures

Personal precautions
Take the precautions customary when handling chemicals. Refer to protective measures listed in sections 7 and 8.
Environmental precautions
Take-up mechanically and remove according to regulations(Chapter 13).
Methods for cleaning up/collecting
Dam in / embank. Take up mechanically.

07. Handling and storage

Requirements to be met by storerooms and containers
Containers which are opened must be carefully resealed and kept upright to prevent leakage.
Further information about storage conditions
Store containers tightly closed in a cool well ventilated place.

08. Exposure controls/personal protection

Personal protective equipment

Material Safety Data Sheet

according to Regulation (EC) 1907/2006

Product name : AquaSpeed 250 ml
Revision : 23.10.2008 Version : 1.0.0
Print date : 06.05.2009

General protective and hygiene measures

The usual precautionary measures for the handling of chemicals have to be observed. Wash hands before breaks and after work.

Hand protection

Solvent-resistant protective gloves must be worn.

Eye protection

Use safety glasses.

Body protection

Light protective clothing.

09. Physical and chemical properties

Image

Form : Liquid.
Colour : Whitish transpar.
Odour : Poor, characteristic.

Relevant safety data

Melting point / range :	(1013 hPa)	<	-40	°C
Boiling point / range :	(1013 hPa)		210	°C
Flash point :			79	°C
Ignition temperature :		>	350	°C
Lower explosion limit :			0,5	% b.v.
Upper explosion limit :			7	% b.v.
Density :	(20 °C)		0,95	g/cm ³

10. Stability and reactivity

Conditions to avoid

None, if handled according to order. Stable under recommended storage and handling conditions(See section 7).

Materials to avoid

Reaction with oxidizing agents possible. Keep away from oxidizing agents, strongly alkaline and strongly acid materials in order to avoid exothermic reactions.

11. Toxicological information

Experience on practice

This product is unlikely to harm health, given normal and proper handling and hygienic precautions. Occasional reactions on persons with a sensitive skin and an atendency towards allergies. Long contact: irritating of skin/eyes/respiratory tract.

12. Ecological information

Details on elimination (persistence / degradability)

In case of appropriate conduction into adapted biological purification plants no disturbances have to be expected.

Ecotoxical effects

Other information

Contains water polluting substances/water polluting classification:I/II.

13. Disposal considerations

Product

Recommendation

In accordance with local official regulations.

14. Transport information

Land transport ADR/RID

Classification

Class : -

Maritime transport IMDG/GGVSea

Classification

Material Safety Data Sheet

according to Regulation (EC) 1907/2006

Product name : AquaSpeed 250 ml
Revision : 23.10.2008 Version : 1.0.0
Print date : 06.05.2009

IMDG-Code : -
Air transport ICAO-TI and IATA-DGR
Classification
Class : -

15. Regulatory information

Classification according to EC directives

S-phrases

2 Keep out of the reach of children.

Special designation for certain preparations

101 Safety data sheet available for professional user on request.

Additional information

For intended use only!

16. Other information

The details in this material safety data sheet satisfy national and EC legislation.
