

**Provide Superior Customer Service  
Without Destroying Your Budget.**

**Hosted Phone Solutions *Virtual PBX®* By Allow Any Business To  
Provide World-Class Communications.**

***Virtual PBX® A Receptionist, A Switchboard And Call Center***

**You provide the phones, *Virtual PBX®* provides the functionality:**

- Your company is given a toll-free phone number
- Each employee is assigned an extension number in the system
- Employees tell the system the phone number(s) where they can be reached
- Local phone numbers provided in supported area codes
- Calls are automatically answered by the *Virtual PBX®* system
- Callers select the employee with whom they wish to speak
- The system routes the calls to the appropriate phone
- There is no PBX hardware or software to install, maintain or upgrade

***Virtual PBX® Connects Calls To Any Phone, Anywhere In The  
World***

**Your flexibility and accessibility are enhanced:**

- Set up a virtual office, with employees telecommuting from anywhere
- Integrate multiple offices under one central phone number
- Have calls follow you when you travel

***Virtual PBX® Pioneered Hosted PBX, Is User Friendly And  
Highly Dependable***

**Everything you could ask for in a business phone system:**

- Documented reliability in excess of 99.999%
- Minimized downtime through redundant systems
- Backup systems to insure continuity
- Plans starting as low as \$9.99 per month (aside from usage fees and set-up)
- Enables a wireless office
- Real time online system monitoring

*IT Solutions Firm:*

*...Virtual PBX's product appealed because it allowed us to avoid costly capital investments in a PBX, voicemail system, and fax machines, and in recurring monthly expenses for telephone lines that often sit unused.*

**Wellbury Information Services**

Web And Software Development + Graphic Design And 3d Animation Firm:  
With offices in Argentina, Canada, and the USA, VirtualPBX is essential to our business success. It provides a seamless interface for our customers to deal with all of our employees without ever having to bother with international dialing codes or complicated phone interfaces.

**JB Knowledge Technologies, Inc.**

Security Consulting & Training Firm:

Your service is excellent! It has helped us to grow our business by allowing us to communicate more effectively with each other internally and with our clients while we are traveling.
